

AMBASSADOR NOLAN BIDS FAREWELL TO MCA-LESOTHO

MCA Lesotho Chief Executive Officer, Mrs. Sophia Mohapi presenting a gift to Ambassador Nolan during his visit

On Wednesday 14th June 2010, the United States of America Ambassador to Lesotho, His Excellency Ambassador Robert Nolan embarked on a tour of MCA-Lesotho offices. The purpose of his visit was to bid farewell to MCA-Lesotho Management and staff before going back to the United States as his assignment as the US Ambassador to the Mountain Kingdom had come to an end. Part of the activities involved during his visit was to meet the MCA-Lesotho Management and staff. Presentations were made to update the Ambassador on progress achieved to date on the implementation of Compact activities in the Health and Water Infrastructure, Environmental and Social Assessment as well as Private Sector Development.

In his remarks, His Excellency, Ambassador Robert Nolan indicated that MCA-Lesotho is one of the best performing MCAs that have received funding from the Millennium Challenge Corporation (MCC). He indicated that he had no doubt that MCA-Lesotho would qualify for the second Compact due to its outstanding performance. He attributed the outstanding performance to the dedication of the MCA-Lesotho team which is led by Mrs. Sophia Mohapi, the MCA-Lesotho Chief Executive Officer.

The Chief Executive Officer, Mrs Sophia Mohapi expressed her heartfelt sorrow to see the departure of Ambassador Robert Nolan. She indicated that Ambassador Nolan had always been very supportive of the Lesotho Compact and MCA Lesotho. She further attested to the fact that even during adverse times, he always believed in the success of MCA Lesotho in implementing the Lesotho Compact. On behalf of Management and staff, she wished the Ambassador the very best in his new endeavors.
